

# Sonoma County Hazard Mitigation Plan

**Figure 8.7**  
***Dam Failure Inundation***

## Dam Failure Inundation Data

Extent of water inundation caused by dam failure [whether by natural causes or manmade] 

Lake Sonoma 

Map Scale and Reproduction methods limit precision in physical features displayed. This map is for illustrative purposes only, and is not suitable for parcel-specific decision making. The parcels contained herein are not intended to represent surveyed data. Site-specific studies are required to draw parcel-specific conclusions.

No part of this map may be copied, reproduced, or transmitted in any form or by any means without written permission from the Permit and Resource Management Department (PRMD), County of Sonoma, California.

The Dam Inundation data set was obtained from the Sonoma County of Emergency Services and was downloaded from the Sonoma County Enterprise Server on September 12, 2011.
